Where: -

- i. P is the permitted price
 - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of alcohol, and
 - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of alcohol;

4.1 Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax

4.2 The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day

Annex 2 – Conditions consistent with the operating schedule

General - all four licensing objectives

Having later hours is unlikely to make any major difference to the operation of this public house due to most customers being regulars and over 40 years of age so they tend to leave quietly.

The usual health and hygiene checks take place as and when required.

The prevention of crime and disorder

The pub is a small village pub with mostly local known customers rather than younger drinkers. Crime and disorder is unlikely however persons thought to be over intoxicated are encouraged to leave and will not be served.

Pubwatch member.

Exterior areas of the pub are illuminated.

Public Safety

The pub has a burns and first aid box etc. There are fire extinguishers and a fire blanket. Outside of the pub is lit. There is emergency lighting to indicate fire exits.

The prevention of public nuisance

The pub has very thick stone walls and the areas music would take place is slightly below street level so the sound does not carry and all doors and windows to be kept closed during music events. The amplified music is to be kept at an acceptable level as many locals prefer to talk. Signs are placed on exit doors requesting customers to leave quietly. Noise from any cars or taxis is not a problem as most customers are local.

All live and recorded music and performance of dance to cease in the garden courtyard area by 22:00.

No external areas will be used for licensable activities or consumption of alcohol after 2300 hrs.

The protection of children from harm

Children will only be allowed up until 21:00 if accompanied by adults and usually only for meals (notices on walls to this effect).

Anyone suspected of being underage are asked to show ID.

Gaming machine and cigarette machine are in view from the bar. All areas of both bars can be seen by staff behind the bar.
